**FREEDOM OF INFORMATION ACT REQUEST**

National Freedom of Information Officer  
U.S. Environmental Protection Agency  
1200 Pennsylvania Avenue NW (2822T)  
Washington, DC 20460  
hq.foia@epa.gov

Dear Sir or Madam:

This is a request submitted under the Freedom of Information Act on behalf of Growth Energy, an association of domestic ethanol producers.

We request all records expressing or embodying any final decision made on or after January 1, 2017, to grant or deny any petition by Andeavor for a "small refinery" exemption under 42 U.S.C. §7545(o)(9).

The cut-off date for this request is the date on which EPA conducts its search for responsive records.

We ask that EPA respond on a rolling basis if a need to consult with another agency would delay EPA's response with respect to any particular agency record.

We make this request in order to further the commercial interests of Growth Energy's members. Growth Energy is willing to pay up to \$500 in fees. If you anticipate that fees will exceed that amount, please inform me before generating excess charges.

We request that responsive records be provided to me in their original format where feasible.

Thank you for your prompt consideration of this request.

Sincerely,

*David Lehn/stm*
